

OXFORD · SEPTEMBER — JUNE

The Oxford Disciple Making Residency.

Nine months, living in community, learning to make disciples on the ground.

Springs will rise in dry ground.

Dry.

Europe was once the heartland of the faith — today it holds the *lowest proportion of Christians* of any continent.

/ˈtʃɑːtwɛl/ · noun

The meaning of the name

"Chartwell" is ancient English for *a spring in dry ground.* Europe was once the heartland of the faith but has drifted from its Judeo-Christian foundations, and now has the lowest proportion of Christians of any continent.

We long to see spiritual vitality — a fresh experience of the Spirit of God — well up again, from Oxford and throughout Europe. Springs will rise in dry ground.

Chartwell Ministries is a disciple-making ministry based in Oxford, UK, operating across Europe — activating disciples of Jesus in Oxford and around the world.

ACTIVATING DISCIPLE MAKERS — TWO WAYS

01 **Discover Jesus**
Helping non-believers discover who Jesus is, then be activated to make disciples themselves.

02 **Discover & multiply**
Helping existing believers discover how to make disciples — and multiply.

THE RESIDENCY

Not a training course — an incubator for disciple-making movements.

Discover your identity in Jesus. Learn to do mission on the ground. Live in community for nine months. Put disciple-making principles into practice in Oxford and across Europe.

VISION

We dream of an unprecedented outpouring of the Spirit — countless followers of Jesus who make disciples and spawn movements that cross every cultural, religious, and social boundary.

MISSION

To inspire and equip a new generation of disciple makers to understand and live out their God-given identity, gifting, and calling.

IDENTITY FIRST

Mission flows out of being, not doing.

Discover who you are in Jesus.

Everything on the residency starts here. Before stepping into mission, method, or strategy, you must first root yourself in your God-given identity, gifting, and calling—discovering who Jesus has made you to be.

From that foundation, you will put mission into practice on the ground, surrounded by community and supported by hands-on training, mentoring, and coaching to deepen your purpose.

Duration & rhythm

Nine months — full or part-time — with a minimum of twenty hours a week.

→ Weekly training, mentoring, gatherings, outreach, and sabbath

→ Monthly prayer retreats

→ Two trips — one ministry outreach to the European mainland and one on the Camino de Santiago

FOR CHURCHES

Send someone. Receive a disciple maker.

Is there a young person in your church ready to be activated for mission? Commission them to Oxford for nine months, and they will return equipped to make disciples who make disciples in your own community.

Disciple-making movements grow through relationship. We'd love to talk with church leaders about sending, praying for, and supporting a resident.

APPLICATIONS OPEN

Could this be your year?

Spend nine months on the ground. Discover who you are in Jesus, and leave activated to make disciples from Oxford, throughout Europe, and to the ends of the earth.
